Dear Ing. Rodriguez:

On behalf of the American Federation of Teachers, I wish to extend my sincerest prayers, sympathy and solidarity to our brothers and sisters of STUNAM, as well as to all the people of Mexico City and beyond, who have suffered from these catastrophic earthquakes.

I know that the images of destruction we are seeing represent only a small portion of the suffering and loss of life, including the loss of so many children. Our thoughts and prayers are with you and your STUNAM colleagues, your families and all others touched by this tragedy. The AFT stands in solidarity with you and your country in these difficult days, both today and in the future. Please let us know how we may be of assistance in these times of need.

In unity,

  
Lorretta Johnson  
Secretary-Treasurer

The American Federation of Teachers is a union of professionals that champions fairness; democracy; economic opportunity; and high-quality public education, healthcare and public services for our students, their families and our communities. We are committed to advancing these principles through community engagement, organizing, collective bargaining and political activism, and especially through the work our members do.
